Dear Mr. Sklar (P Dizzle),

Thank you so much for the experience the girls had. What Milo and Kyli have learned and can now apply to their growth as artists is wonderful! The girls enjoyed their time with their fellow artists and the classes they've had the opportunity to take with accomplished actors, singers and dancers will always be a highlight in their arts education.

Congratulations to you and we hope that you continue teaching and spreading your love for the arts and for the people that are born to sing, act , dance....and just create art!

Kindly,

The Burton Family
